

Bitter Honey

The sweet mystery of Bitter Honey's name was forged in its cocktails. Used for centuries to elevate the delicate taste of one's chosen elixir, botanical bitters and local honey now swirl new depth into our drinks, unlocking fresh flavours where the sharp and the sweet find perfect harmony between the potent complexity of both.

Bitter Honey promises an adventure where every drink is a masterpiece; an alchemy of playful concoctions, mixed precisely for the moment and waiting to make the tastebuds sing.
